“A SALUTE TO AMERICA”

This year the Three Rivers Festival salutes America with a special tribute to our active duty and military veterans. Special events are planned including a special concert and the parade where area active duty and military veterans will be honored as the parade's grand marshalls. Take time to remember and thank those who gave us the freedom to enjoy this great Festival!

Channahon's Three Rivers Festival and the Community

28 Years! From a community meeting in 1989 to this year's event, the Three Rivers Festival will have generated over \$850,000 for community programs and services in the Channahon area.

These dollars come from the generous support of our corporate sponsors (listed on the back of this Schedule) and those attending the Festival. Money raised is directly reinvested in the community, with the majority of the proceeds equally received by the Festival's sponsoring organizations: Channahon Pony Baseball, Channahon Lions Club, Channahon Fire Department, and Chanooka Braves Youth Football. Members of these groups make up the majority of the Festival Committee. They are joined by other community members with everyone volunteering their time to plan and put on the event.

Other organizations receive stipends for providing workers for the Festival, and a Community Grant Program funnels still more proceeds to projects and services by government and not for profit agencies. The Channahon Police Department and Channahon Park District absorb the cost of their staff costs associated with the event, which run to hundreds of hours. Central Park is provided as the Festival's home by the Park District at no cost.

Thank You for attending Channahon's 2016 Three Rivers Festival! If you enjoy your visit, thank one of the Committee Members on the grounds during the week; they work hard to make your time at the Festival a great experience. And if you have a suggestion to help us grow and improve, please email us at three_rivers_fest@yahoo.com.
