CALDWELL JOINS CHANNAHON PARK DISTRICT BOARD

Chris Caldwell of unincorporated Channahon Township was seated on the Channahon Park District Board of Commissioners at a May 23 meeting. Caldwell and incumbent Commissioner Dennis Clower were each elected to six year terms on the Park District Board at the April, 2013 election.

Caldwell becomes just the 12th resident to serve as a Park District Commissioner in the District's 42 year history. Forming the Board with Caldwell and Clower are Ron Lehman, Tom Lesniak, and Bob Babich. The five Park Commissioners serve without compensation as District's governance and policy board.

The Channahon Park District was formed in 1971. Under a mission statement of Serving by Creating Diverse Opportunities and Experiences that Enhance Quality of Life, the District serves over 18,000 residents in the Village of Channahon, Channahon Township, and the portions of the Village of Minooka in Will County.
