

## Written in Stone

Memorialize an event, milestone or loved one by having a Unilock Brussels Block paver engraved, and set into the new Central Park Sensory Garden being constructed.

# Engraved Paver Program

Have you ever wanted to tell the world about someone or something that is important to you, or that you think should never be forgotten?

Here is your opportunity to pay tribute, or to make sure no one ever forgets.

During the fall of 2017, Central Park in Channahon is undergoing a major renovation. One part of the renovation is the Sensory Garden, a beautiful collection of flowering perennials, a walking path, and a seat wall with paved area. The garden will invite us to use all of our senses, to explore the gifts of nature, and creates a setting for introspection. The Sensory Garden will give those who visit an opportunity to slow down, meditate, and reflect on what is important in life.

# Paver Options

You can purchase an engraved paver to share an event or accomplishment with all who visit the Sensory Garden.

Choose from two sizes of locally made Unilock "Brussels Block" brick pavers in the Coffee Creek color palette.

Standard Stones are approximately 6.75" x 8.25" and fit 4 lines of text with a maximum of 13 characters per line.

Larger, XL Stones are approximately 8.25" x 13.75" and fit up to 6 lines of text, with a maximum of 16 characters per line.

# Paver Costs

One standard stone (6.75" x 8.25")	\$100
Two duplicate standard stones*	\$150
One XL stone (8.25" x 13.75")	\$150
Two duplicate XL stones*	\$250

*\*Get one stone for the sensory garden, get a second duplicate stone for your garden.*
