

Looking for a job?

Student Job Fair - FREE!

High School Sophomore - College Seniors

Will you be looking for a job this summer? Did you know that the Channahon Park District hires a majority of our summer staff starting in March? Are you outgoing and enjoy working with kids? Then stop by Arrowhead Community Center for the Student Job Fair! This will be a great opportunity for both high school and college students to find out more information about available part time positions and to apply for summer jobs at the Channahon Park District and other local businesses in the area. We recommend bringing a resume to the event!

Location: Arrowhead Community Center

Date	Day	Time
Feb 28	F	10 AM-12 PM

Volunteering

Are you looking for service hours for a school club or church group? Interested in volunteering at the Channahon Park District events or programs? If so, contact the Channahon Park District at 815-467-7275 to get more information.

Volunteer Day

Ages 12-17 years

Back by popular demand, we are looking for a couple of participants during spring break to volunteer at the Nova Quarter Horse Farm. Participants will help shelter staff with shelter chores, grooming, walking and interaction with the horses. This is a great opportunity for those in need of service hours or just to enjoy the day off school. An additional waiver will need to be signed for this trip. Please bring a lunch.

Depart Location: Arrowhead Community Center

Fee/ResDisc: \$14/\$10

Min/Max: 6/10

Date	Day	Time	Deadline
Mar 26	TH	10 AM-3 PM	Mar 20

Introduction to Photography

Ages 13 years & up

Beginner and amateur photography are growing forms of photo capture in today's wide array of personal interests. Grab your DSLR camera and notice the options and features that may lead you to incredible products of digital imagery. This class will review basics of photography ranging from holding the camera to discovering how to become proficient in camera feature applications, and understanding conditions for simple photogenic opportunities. Throughout the course there will be various visual aids and handouts to keep for reference as well as off-site activities. Participants must bring their own DSLR camera to class. The class is instructed by John Petrakis.
