What is Adopt-A-Flower-Bed?

Adopt-A-Flower-Bed is a volunteer activity where area volunteer groups “adopt” a flower bed at a Channahon Park District park location. The adoptive group is responsible for planting the flowers in May and weeding the bed through summer.

We provide all the materials you will need.

The Park District provides all planting materials and tools. Volunteer groups need to provide energy, time and enthusiasm! This is an ideal service project for all ages—children through seniors!
