

## Special Recreation of Joliet & Channahon (SRJC)

Special Recreation of Joliet & Channahon (SRJC) is a cooperative extension of the Joliet and Channahon Park Districts, which provides year-round recreation activities for individuals who wish to participate in alternative Park District programs. These programs are designed to help participants who have physical or mental disabilities, sensory impairments, or any other type of disability, to develop leisure skills, independent living skills, and motor skills.

### Inclusion

The Joliet Park District supports the rights of people with special needs to participate in any program. An adult or child must adhere to the guidelines of that particular program. The Joliet Park District believes that all members of the community are entitled to have equal leisure opportunities. For information on the inclusion process, please contact SRJC at 815-741-7275 ext. 175. Any accommodations and expectations will be discussed prior to the start of a program.

### Americans with Disabilities Act (ADA)

The Joliet Park District complies with the Americans with Disabilities Act, which prohibits discrimination on the basis of disability.

### Volunteers

SRJC is always looking for volunteers who have a desire to work with special needs individuals. If you would like to be a part of our team, please contact SRJC at 815-741-7275 ext. 160.

### Transportation

***Due to COVID-19, transportation will not be provided at this time.***

### Limited In-Person programming

Because safety of participants and staff is our number one responsibility, all in-person programs will have enhanced essential eligibility requirements in order to comply with state and federal COVID-19 regulations. We understand that our initial in-person offerings will only serve a percentage of all who want to return to programs. We intend to ease restrictions as governmental regulations change based on state progress through the Governor's plan.

### Participant Eligibility Requirements

- Ability to maintain a 6-foot physical distance from other participants and staff
- Ability to properly put on, wear, and take off a face covering when necessary, for the duration of the program
- Independent personal care (i.e. hygiene, toileting, feeding)
- Ability to follow verbal direction.
- Ability to participate at a 1:4 ratio (Staff:Participant)
- Ability to demonstrate a high level of safe behavior towards self and others
- Ability to stay with the group
- Ability to follow the SRJC Code of Conduct and other pre-determined guidelines

If participants do not meet the above criteria, please contact the SRJC office to discuss program options.

### Registration Process

- Review the Participant Eligibility Requirements for In Person Programming.
- Register for programs.
- Staff will review registration and contact participant/guardian if there are any questions regarding the participant's ability to follow the eligibility and safety guidelines.
- Submit the Annual Information Form and Wellness Screening Form to the SRJC office before the start of programs.

**Look for "Pop Up" Programs!**

# SRJC In-Person
