Bench Program

The 6' Park Bench

Black aluminum frames with armrests and "cedar" colored recycled plastics for the seat and back boards. This ornate bench makes a beautiful statement.

The bench can be installed in one of the Channahon Park District's neighborhood parks or community park. Park District staff will work with you to decide a fitting location for your bench and install it as well as help design the commemorative sign to be placed on it.

Tree Program

There are several species of trees to choose from. Park District staff will work with you to select the perfect tree and location and plant it!

The Channahon Park District will also assist you with developing the commemorative sign to be placed along side the tree!

To participate in either the Commemorative Tree or Bench program, please fill out the attached application and drop it in the mail or at any Channahon Park District facility.

For more information contact the Channahon Park District at (815)467-7275!
